EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ted Masters on October 15, 2004.

The application has been amended as follows:

The following changes have been made to claim 12:

- 1) In line 9: The term "connected" has been changed to --attached--, and the phrase --, said anchor being loose and not fixedly attachable to the bed covering, the mattress, or the box spring-- has been inserted after the term "end".
- 2) In lines 10 and 14: The term "may" has been changed to the phrase --is configured to--.
- 3) In line 11: The phrase "adjacent to" has been changed to the phrase --substantially at the middle of--.
- 4) In lines 12 and 13: The phrase "wherein if said elongated member is pulled toward the foot portion of the mattress said anchor wedges between the mattress and the box spring" has been changed to the phrase --and wedges between the mattress and box spring when said elongated member is pulled toward the foot portion of the mattress--.

2. The following is an examiner's statement of reasons for allowance: In the prior Office action filed on June 24, 2004, dependent claims 4 and 11 were indicated as containing allowable subject matter. Applicants' amendment filed on September 24, 2004 rewrites claims 4 and 11 into independent form and cancels remaining original claims 1-3 and 5-10. Furthermore, the examiner respectfully asserts that none of the prior art, taken either singly or in combination, is seen to teach or suggest the particular structure and positioning of the attachment device relative to a bed covering, mattress and box spring as explicitly recited in Applicants' newly-added independent claim 12. Hence, it is considered that the application is currently in full and proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert G. Santos whose telephone number is (703) 308-7469. The examiner can normally be reached on Tues-Fr and first Mondays, 10:30 a.m. to 8:00 p.m..
